Our days at Suffolk High School have brought happiness, sorrow, defeat, victory, and friendship. We have made memories that will always be dear to us. During our high school years, we have learned the importance of doing our best and striving to keep our school the best. In all phases of school life—studies, sports, and activities—we have tried to work as a group for the benefit of all. This year, the PEANUT staff has tried to capture some of the moments that have made the DAYS OF OUR LIVES at Suffolk High School days that we will always fondly remember.

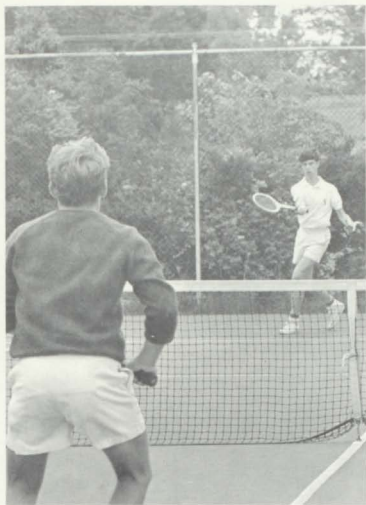

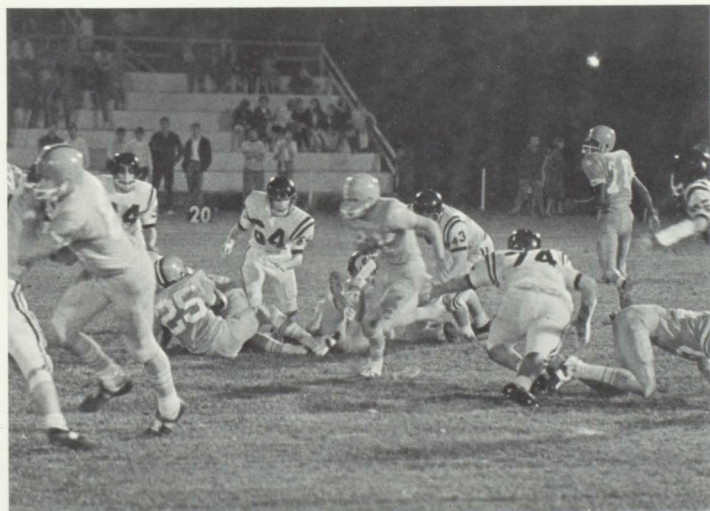

a regular day . . . classes . . . friends . . . a locker that refuses to open . . . a bell that rings only seconds too soon . . . an assembly . . . a "nutrition" break . . . clubs . . . class meetings . . . a prize-winning float.

days of our lives . . . district champs . . . no. 1 . . . 17-1

DEDICATION

A dedication is a presentation of gratitude and affection. The individual receiving the dedication is one worthy of our praise and respect. His knowledge and understanding of young people, his wise judgment, and his sincere interest in our school have led us to admire him greatly. He is an understanding friend and loyal supporter of every facet of school life.

We would like to express our appreciation for all the help he has given us during our high school years; therefore, we, the annual staff, guided by the senior class vote, proudly dedicate the 1969 PEANUT to

MR. ARTHUR E. JONES.

MEMBERS: SEATED: Hines, Lawrence, S. A. Saunders, Dickenson, Lemmon, Everett, Chorey, Savage, James King, R. Davis, Powell, Rawls, B. Davis, Beville, Hobbs, Gatling, J. Pierce, Perry. STANDING: Stancill, Thompson, S. Saunders, R. Carter, Anderson, Darden, Parr, Pope, Crockett, J. Pierce, Caulk, Siemasko, Faircloth, Marr, Horton, Womack, N. Carter, Bryant, Sullivan, M. Pierce, Daniel.

Bobby Sizer and Terry McGahee raise the flag every morning.

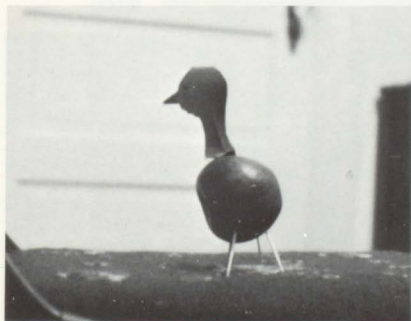

President Davis calls the assembly to order.

As the governing body of Suffolk High School, the Student Senate strives to serve not only its school but also its community. During the year, it sponsors projects such as dances, collecting for the Red Cross, and filling baskets with canned goods at Christmas. This group, whose members are elected by their classmates from each home-room, is also a meeting place for suggestions or complaints made by students or faculty. The Ways and Means Committee, as a branch of the Student Senate, helps to enforce its policies. Working together, the two organizations do a great job of leading our school.

WAYS AND MEANS COMMITTEE: Chairman Lee Powell, Daniel, Pierce, Anderson, Lemmon, Sullivan, Pope, Beville, Hobbs, Chorey, Savage, Faircloth, Davis, King, Caulk, Perry, James, Rawls.

An apple for the teacher and best wishes for the Thanksgiving holiday.

Senate members pick up necessary materials for their homeroom Red Cross collection.

Honor Society operates the cloakroom during all home games in order to raise money for a scholarship to be awarded to a deserving member.

National Honor Society Encourages Scholarship

OFFICERS: President James, Vice-President Daniel, Secretary Hobbs, Treasurer Pierce.

The 1968-1969 National Honor Society is composed of twenty-five members. In November an induction assembly was held and speeches were given on the qualities of leadership, scholarship, character, and service. The carrying out of these qualities is a main concern of the Honor Society. To create an enthusiasm for scholarship, socials were held for honor roll students and letters of congratulations were sent out. As an annual project, the club again offered a \$100 scholarship to a deserving senior. This money was raised by operating the cloakroom at home basketball games and by bake sales.

OFFICERS: President Moore, Vice-President Rawls, Secretary Oliver, Treasurer Davis, Chaplain Saecker.

The Hi-Y Club has become a main service organization of young boys in our school. Its motto is "To create, maintain, and extend high standards of Christian character." To carry this out, they collected food and clothing to contribute to the World Service. The club also visited many churches in our area to broaden their knowledge on religion. For a money-making project, the club planned a basketball game between the club members and the faculty.

Key Club Continues Excellent Service

Key Club members sold light bulbs to add funds to their treasury.

OFFICERS: President Pope, Vice-President Tillery, Secretary Holland, Treasurer Webb.

Key Club, one of the most active clubs in school, is always striving to be number one. After a rough initiation, the club began its work. The members ushered during football games and sponsored a car bash for the Peanut Bowl. They also entered a float in the parade.

To make money for the Bobby Traylor Scholarship, the club sold light bulbs and sponsored the annual TWIRP dance. This scholarship is always given to a deserving Senior boy.

The club carried out the national theme, "Influence through example," by collecting books and contributing money to needy causes.

Truly these boys deserve much credit for all their hard work and good deeds.

An added activity of the Interact Club is acting as pages to the City Council meetings.

OFFICERS: President Chorey, Vice-President Parr, Secretary Powell, Treasurer O'Connor.

Interact Proves Great Asset to School and Community

The Interact Club is a world wide Rotary-sponsored organization of young men dedicated to public service and international understanding. The membership consists of sophomore, junior, and senior boys who have maintained an 80 or above average and who have been active in other school activities.

Among their many activities, the members usher at all home football games, act as pages for the city council, collect for the United Fund, and help send out letters for the T. B. Association.

The Interact Club faithfully renders its services to our school, community, and nation.

Gladys Yates Tri-Hi-Y

Club members donate time to stuff envelopes for Christmas Seals.

Service has been the key word this year in regard to the Gladys Yates Tri-Hi-Y. Throughout the year, different worthwhile projects were promoted by the members of the Alpha and Beta Chapters. The club's activities were begun with a cook-out given by the senior members to the juniors. At Thanksgiving, canned goods were collected to be distributed to those in need. At Christmas, members stuffed envelopes for Christmas Seals and manned the Kettle Houses for the

Civic Samaritan Tri-Hi-Y

The purpose of Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. This year the two chapters of the Civic Samaritan Tri-Hi-Y have done much to fulfill this lofty ideal. They sold Krispy-Kreme Doughnuts to increase their treasury. For the Disabled American Veterans, the clubs sold forget-me-nots. In preparation for the '68-'69 school year, the officers attended a training session at Massanetta. The officers made jack-o-lanterns for the Naval Hospital. They went Christmas caroling at the nursing homes and served as volunteer workers in the Salvation Army booths at Christmas. They also helped the Junior Red Cross. Boodie Newsom represented the district as page to the Model General Assembly. The club is proud of its past accomplishments and looks forward to even greater heights of service and fellowship.

Boodie Newsom was elected as district page to the Model General Assembly.

Club members sold Krispy-Kreme Doughnuts to add funds to their treasury.

This year our debate team, even though hindered with only three experienced members returning, proved to be excellent debaters. The main topic was how the federal government can best maintain manpower for defense. For each debate, topics derived from this main idea were discussed. Before the big district meet, the team had many practices and tournaments. The team stressed its purpose, the education of youth in the problems of today.

In Last Game of the Season

The cry goes up, "We've got the fever, we're hot, we can't be stopped." This year we had a group of boys that couldn't be beaten. You can't ask for a much better record, 8-1-1. With the knowledge of our fine coaches, our team couldn't possibly have failed. Even after losing to Southampton, we still felt that we were No. 1. Two weeks later we bounced back to beat Windsor, 18-0, and were on our way to become district champs.

The season opened with a bang by beating Franklin 13-12. On the twentieth of September, the tension mounted as the John Yeates game was to be played. This was a very important game for the Raiders. They boys came up with a 33-12 victory. The 0-0 tie against Western Branch was a little surprising. The Raiders' great defense kept the opposing team from scoring. Norfolk Catholic lost only two games this year. One lost was to Suffolk, 19-7. We once again beat Forest Glenn, 19-0. The only loss of the year was to Southampton. It was a hard loss, 7-24, but the boys bounced back with a victory over Smithfield the

following week. Perhaps the biggest victory of the year was over Windsor, 18-0. This gave a big leadway to being the district champs. The next week the Raiders defeated Poquoson by the score of 26-13. At last came the Peanut Bowl. The team was packed by the students, parents, and the pep band. On this day, the Suffolk High Red Raiders became the 1968 DISTRICT CHAMPS after the glorious victory of 19-2. Our team is really great!

Raiders Seeded No. 1 In District

From the beginning of the 1968-1969 season, the Raider basketball team was rated by district coaches as "the team to beat." It wasn't long before the team proved itself worthy of this distinction. Four of the returning lettermen, David Tillery, John Nemish, John Parr, and Randolph Davis, provided a solid nucleus for a strong squad. The versatile starting five, backed by powerful reserves, formed a great team. Peter Mitchell and Captain Randolph Davis were high scorers for the season. Davis also pulled down the most rebounds. After crushing the Rangers earlier in the season, the Suffolk cagers traveled to Forest Glen to suffer a hotly contested 55-53 non-conference defeat; This defeat ended a ten-game winning streak which had been threatened only once in a close conference win over the Windsor Dukes on their home court. Still, unbeaten in conference play, the Raiders entered the district tournament ranked No. 1. The boys ended an almost perfect season by breaking 100 in the game against Stoney Creek. So the Raiders entered the tournament with a 17-1 record.

The J. V. basketball team, coached by Mr. Billy Hill, ended its season with an impressive 12-2 record. The team this year chose a different captain for each game, giving more people a chance to serve. This strong, hard-working team was handed its only two defeats by Franklin and Poquoson High. The high scorer for the year was Danny Lawrence.

Danny Lawrence, high scorer for the year, goes up to add two more to the J. V. scoreboard.

The team practiced diligently each afternoon under the direction of Mrs. Dodd and fought hard all during the season.

A thrilling 3-2 victory over arch-rival Forest Glen was the highspot of Suffolk's dismal 1968 baseball season. Led by Capt. Ray Soule and the pitching of Tommy Harry, the Raiders compiled a dispairing record of 3 wins and 9 losses. Actually Coach Dick White's team performed well enough to win several other games, and 4 of their losses were by 2 runs or less. Suffolk, a newcomer to Group II baseball, having played only 3 years, looks forward to future seasons in which its young talent should mature.

Our Raider track team for 1968 was a small team of only 11 members, but were high-spirited and full of determination. The scores were against them, but they showed great potential. James Blanchard ended the year with two new school records—high jump — 5'10½", and high hurdles — 15.4. He also set a new high hurdles record of 16.25 in the Eastern Shore Invitational. Gene Harrell and James Blanchard represented us in the State Tournament. Next year we will hope for better results because 10 of our men will be returning.

And so finally our high school years come to an end; only memories are left. Forever we will cherish these memories, and someday we will look back on both the good and the bad with joy. How quickly the years came and how quickly they passed! But now they are gone, and we must face the future. Those were the DAYS OF OUR LIVES.

Jane,
you know very well that this has
been a great year for both of us, maybe
more for you? You probably had
a lot more fun with those F.O. boys.
I sure do hope that you and Susan are
in my French IV class next year, because
you really helped me a lot with my
problems. I ~~guess~~ ^{guessed} I helped you some;
I don't know. We've had a good
time in Mrs. Daskill's room catching
each other's eye with a "sweet" glance of
admiration? You probably don't think
that much of me anyway, but I do
enjoy going out with you the few times,
especially the Sadie Hawkins. I really
had a blast at Shony's, didn't we? I
hope that this summer you will
realize that we can get along (without
George) very well. I am looking forward
to a great summer seeing you!

I love you always,
Bill
